1 Executive Summary

1.1 Description of the deliverable content and purpose

The Deliverable D8.1 – Project website is delivered in the context of Task 8.1 – Dissemination within WP8 – Exploitation and Dissemination. WP8 as Task 8.1 will run until the end of the project.

The main objectives of Task 8.1 are to facilitate the analysis and adoption of knowledge and results generated in EXCEED in order to maximise impacts and further exploitation.

The objective of this deliverable is to report the effective creation and launch of the EXCEED project website. This website is available and fulfils the communication and dissemination objectives. English is the chosen language for the website to make it accessible to the broadest audience.

EXCEED website presents the project context, the objectives and the consortium. It will also give overview in the later stages to project outcomes.

The site is set up and is being administrated by Ayming. Ayming will be responsible for this task throughout the whole project duration with the support of the EXCEED consortium to ensure a living communication tool.

1.2 Corrective action vs Grant Agreement (if relevant)

Not applicable

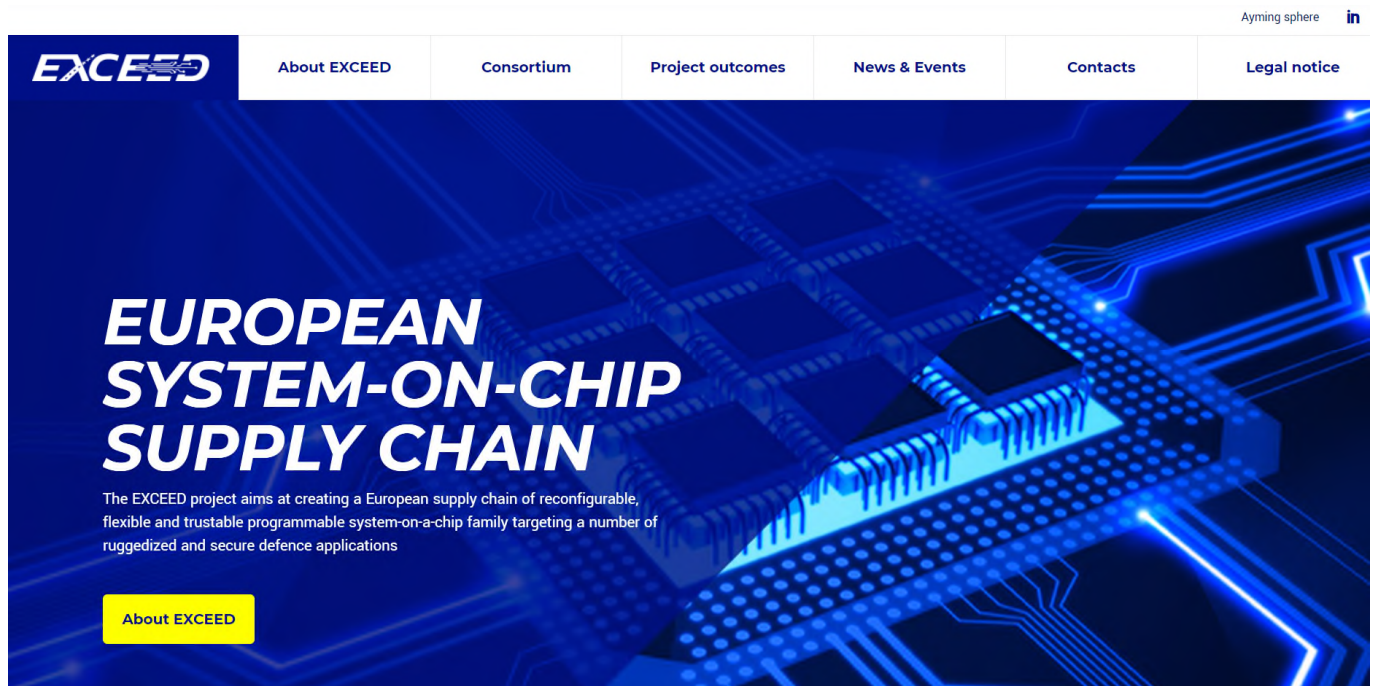

2 Deliverable report

2.1 Deliverable context and objectives

The deliverable D8.1 – Project website presents the effective creation and launch of the EXCEED project website and gives details on this website.

2.2 Deliverable activities description

2.2.1 EXCEED website structure

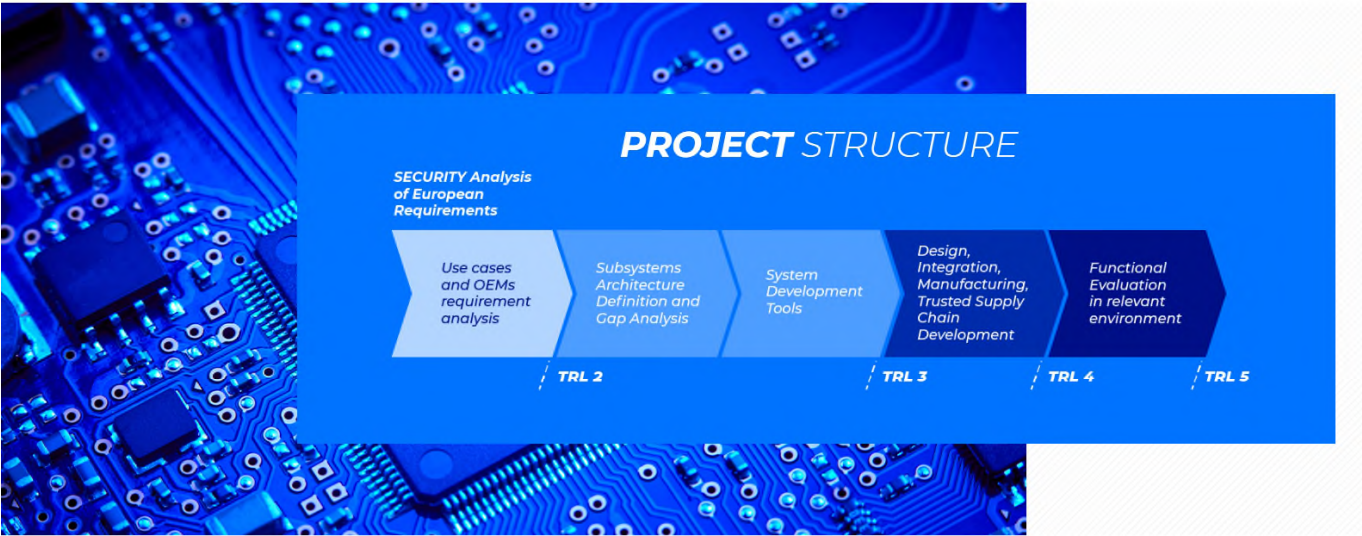

EXCEED TRUSTED AND FLEXIBLE SYSTEM-ON-CHIP FOR EUROPEAN DEFENCE APPLICATIONS

The EXCEED project is part of the Preparatory Action on Defence Research (PADR) launched by the European Commission in 2017 to assess and demonstrate the added-value of EU supported defence research and technology (R&T). It paved the way for a proper European Defence Programme to come as of next year as part of the European Defence Fund (EDF), under the EU's next Multiannual Financial Framework (2021-2027).

EXCEED PARTNERS PRESENTATION

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua. Quis ipsum suspendisse ultrices gravida. Risus commodo viverra maecenas accumsan lacus vel facilisis.

Figure 3: Consortium map

Partners presentations are also accessible from the main page (home).

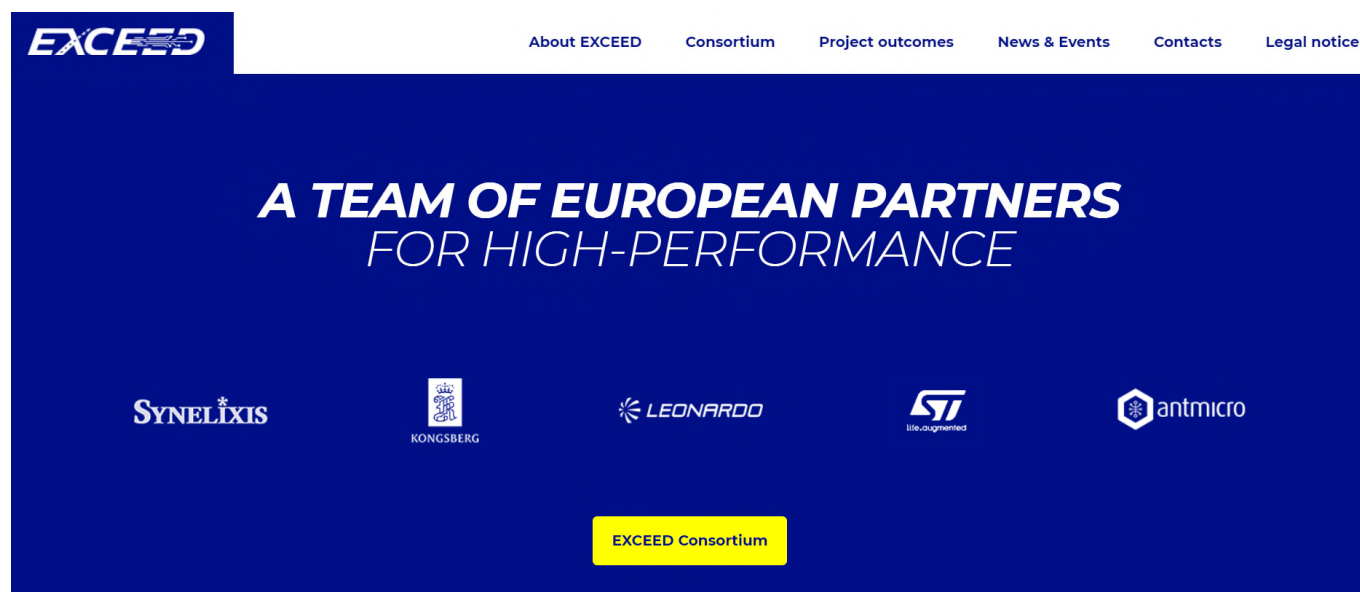

Figure 4: Logos of consortium (carousel mode)

At the bottom of each page can be found the acknowledgement to EDA and EC together with the disclaimer.

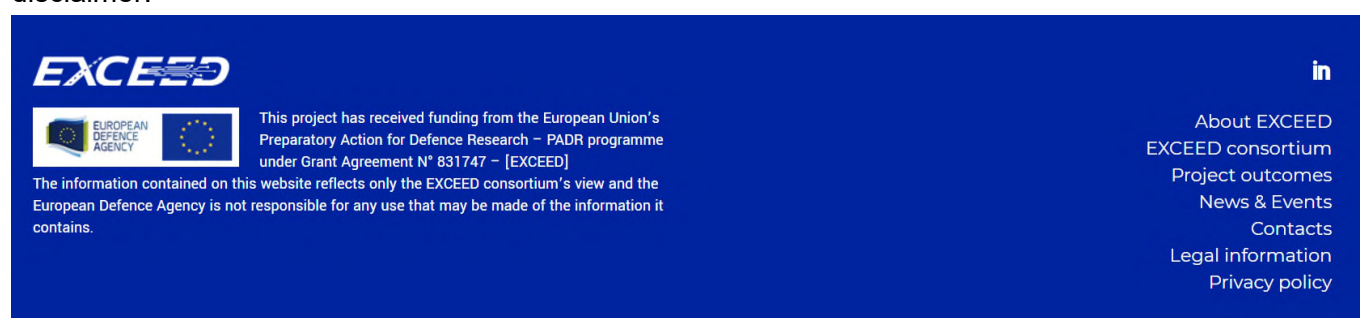

Figure 5: EDA/EC acknowledgement message

2.2.2 EXCEED website hosting and creation

The EXCEED website is hosted by Ayming. The development of the site began the 1st March 2021 at Ayming in France and the website was launched externally on 10th of May 2021.

2.2.3 Content management and structure (CMS) used

The EXCEED website uses the WordPress content management system.

2.2.4 Graphical elements – identity set

The website uses a common set of colours (blue, yellow) to ensure harmony with other communication tools. It features the EXCEED logo that will be associated to all communication tools.

All pages have the same footer that contains the grant number and logos from EDA and European Commission (EC).

2.2.5 Legal mention and domain

The EXCEED website is accessible at www.exceed-padr.eu.

2.2.6 Regular updates

The EXCEED website will be updated on a regular basis to implement:

- Public deliverables,
- News,
- Events,
- Articles published by the partners, especially on the EXCEED project outcomes.

A section is dedicated to dissemination material including leaflets, newsletters, and factsheets that will be produced along the project.

2.3 Perspectives, further steps

This deliverable may be updated according to project's evolution.

3 Conclusion

This deliverable was approved by the PSC during the 2021.05.06 meeting.
